Mr.Barak,

Good evening. Can’t reach you by phone.

As for your accommodation at Sochi – in the attached file you can see the only proposal we got from the authorized organization and it seemed to be not good (just 4* and not close to the main events). I suggest you to get in touch with mr. Ushakov, who, presumably, could help you in accommodation as the best apartments and rooms are reserved by the Government.

Planning to be in Israel this Thursday (1 night). I have a meeting Thursday evening at Jerusalem and will be glad to see you Friday morning (if it is ok for you). Let me know, please.

Regards,

Yakov
